ITEM: VENDOR/EXHIBITOR OPPORTUNITIES  
PCPG's 2008 Symposium—*Water and the Environment*  
Wednesday, May 7, 2008  
Hershey Lodge & Convention Center, Hershey, PA

Dear Prospective Vendor:

On behalf of the Pennsylvania Council of Professional Geologists (PCPG), I am pleased to extend a personal invitation for your firm to attend our upcoming 2008 Water Resources Symposium, "Water and the Environment." The event will be held at the Hershey Lodge & Convention Center, Hershey, Pennsylvania on **Wednesday, May 7, 2008**.

We have partnered with respected organizations and agencies and are designing a dynamic program that will appeal to a broad audience. As an exhibitor, you will have the opportunity to display your technologies, services, and expertise in front of a couple of hundred professionals from all parts of Pennsylvania and surrounding states. With gas at \$ 3.00 per gallon and schedules increasingly more hectic we will do the hard part, i.e., "gather the crowd." *How much time and expense would it take to get in front of two to three hundred prospective clients?*

Additionally, you will have the opportunity to attend presentations on emerging technologies, case studies, and shared experiences throughout the day. These presentations will be offered by members of the private sector along with representatives of Pennsylvania's Department of Environmental Protection; DCNR-PA Geologic Survey; Delaware River Basin Commission; Penn State University; Susquehanna River Basin Commission; United States Geological Survey, and PCPG member companies.

*"It was one of the better conferences I have attended."*

*"The symposium was very beneficial and well done. I would like to see more exhibitors and vendors from the private sector."*

These are just two of the dozens of positive comments past attendees have recorded on post-event surveys. *Your company can be part of the success of the 2008 PCPG Symposium!*

The attached information details the benefits associated with your participation in this event as a vendor exhibitor. We simply ask you to send your commitment as an exhibitor as early as possible so PCPG is able to promote your participation in this event.

We are confident that your company will find the 2008 PCPG Symposium an ideal opportunity to engage in technical exchange and to network with existing and prospective clients.

Sincerely,

Gary M.B. Kribbs, P.G.  
PCPG Past President & Symposium Chair

**P.S. Early vendor interest prompted us to move the event to the Hershey Lodge & Convention Center. Register early before all booth space is sold out!**
